*Now you can have
a small intimate
ceremony and still
include everyone !*

Your Maui wedding is a once in a lifetime event. Most Maui weddings are small and intimate ceremonies. Also, due to various reasons, such as finances, job obligations or health concerns, there are family or friends not able to attend in person.

Share your special day worldwide live as its happening for the cost of one persons air faire to Maui.

The Wedding Broadcast

We broadcast your ceremony over the Internet using a mini DV camcorder and portable laptop computer.

You have a choice of requesting QuickTime or Real Video for your private broadcast.

Your family and friends not able to attend in person experience the ceremony as its happening on home computers with dial up modem or broadband Internet connections.
